Mustahkamlash topshiriqlari: Jira’da 2-sprint

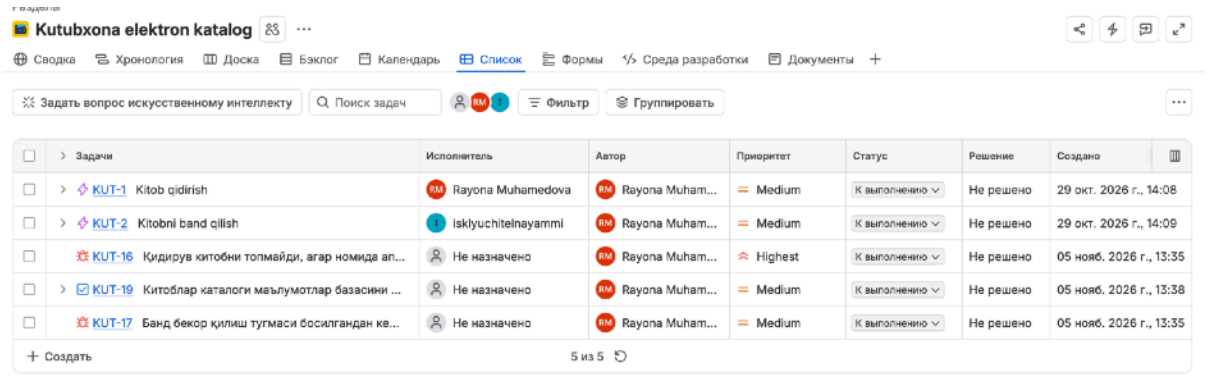

1-topshiriq. 1-sprintni yopamiz

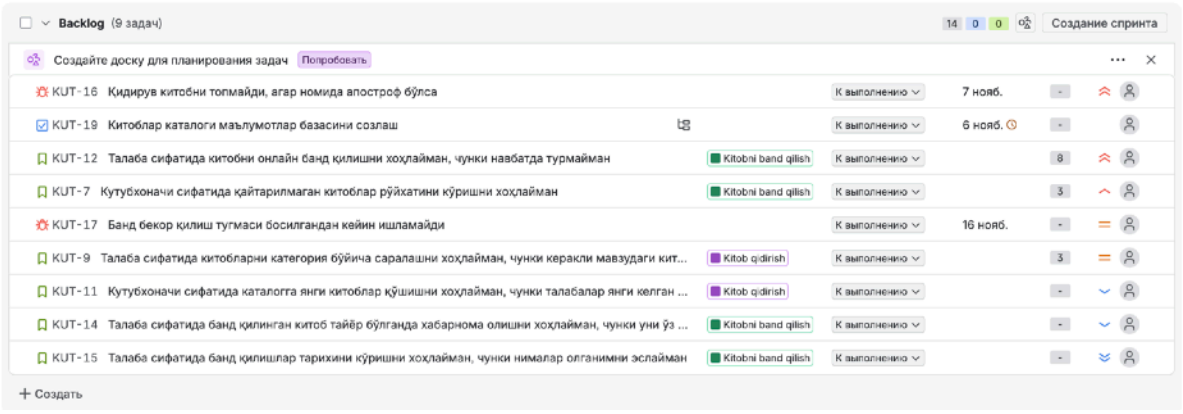

2-topshiriq. Nechta ball bajardik?

3-topshiriq. Retrospektivadan 2 ta vazifa

5-topshiriq. 2-sprintni boshlaymiz

6-topshiriq. Qaysi javob to‘g‘ri?

1. b) Backlog’ga yozamiz va keyingi sprintda ko‘rib chiqamiz. Chunki sprint davomida jamoaning belgilangan maqsadi va rejasini buzmaslik kerak.
2. a) Keyingi sprintga o‘tkazamiz. Chunki 90% tayyor ish hali to‘liq bajarilmagan va Done mezonlariga javob bermaydi.
3. c) Ikkita kichikroq story’ga bo‘lamiz. Chunki katta story’larni kichik qismlarga ajratish ularni bajarish va baholashni osonlashtiradi.
4. a) Yangi ish boshlamay, boshlanganlarini tugatamiz. Chunki WIP limit ishlarning ortiqcha to‘planishining oldini oladi.
5. c) Daily Scrum’da so‘raymiz va yordam taklif qilamiz. Chunki Scrum jamoasida hamkorlik va muammolarni birgalikda hal qilish muhim.
6. a) Bug yaratamiz yoki story’ni qayta ochamiz. Chunki Done deb belgilangan ish ham sifat talablariga javob berishi kerak.
